

# Employment Opportunities

## Mechanical Engineer

Dimplex Thermal Solutions, a fast growing Kalamazoo based manufacturer of world class industrial cooling equipment is looking to add to our Engineering Department.

Responsibilities will include designing new or modifying existing designs to meet customer needs on our AutoCAD system and providing engineering support to the shop and customers. Bachelors Degree in Mechanical Engineer and 3-5 years experience is required. Experience with piping systems, electrical systems, bills of material, and/or refrigeration would be beneficial. CAD experience is a must.

As a long time industry leader, we offer a competitive compensation/incentive package including excellent benefits such as medical, dental, 401K, vacation, RX, and more.

If you are a motivated, qualified person that would like to be considered for an opportunity on our team, please respond with a detailed resume and salary history to:

Dimplex Thermal Solutions  
Attn: HR  
2625 Emerald Drive  
Kalamazoo, MI 49001
